

YOU JUST TURNED EIGHT: A Baptism Book

© 2003 Heather Horrocks

You just turned eight. And you had a wonderful birthday party. Everyone was there and you had lots of presents to open. How exciting!

Now it's time to open the gifts that Heavenly Father has given you for your 8th birthday. Oh, you didn't know you had more presents? Well, come on. Let me show you.

There are lots of gifts--and they're all wrapped with love. Your Heavenly Father loves you. Jesus loves you. The Holy Ghost loves you. All three members of the Godhead know you and love YOU!

When you open the first present, wrapped in bright red-and-gold love, you find a big word inside: **ACCOUNTABILITY**. God says that when you turn eight you become accountable. What that means is that you know right from wrong--and God knows you know it. And, from now on, you're expected to choose the right.

Come join the party! The baptism party, that is! This picture book is designed to teach the wonderful concepts about Christ's Atonement - -on the level of an 8-year-old child. But we're betting that many parents will get something out of this book, too.
